

Matt Walker Has Cedar Fever; Cedar Trees Now Running in Fear!

Shuttle Schedule for Recreation

Days:

Recreation days will be starting Wednesday and these times reflecting when you will need to meet by the administration tent in order to catch the shuttle to these recreation activities. Be sure to be there before the time scheduled since shuttles will be leaving promptly and if you miss the shuttle you will miss your recreation day.

Silver Dollar City:

7:00am

7:30am (only if needed)

Bass Pro:

8:00am

Canoe:

7:30am

Golf:

8:30am

Wed Sections: 1, 2

Thurs Sections: 3, 4, 5, 7

Morning Coffee Drought is

Planned:

On most mornings adult Scouters can be found around the nearest coffee pot. However here at Mark Twain this is not the case and for good reason. As Mama Sue from the Medical Staff explains, "Coffee and tea is a diuretic which means that it makes your kidneys put out excess water. This can make dehydration more likely." This important safety fact is the reason why the logistics team decided to pull coffee from the morning menu.

Want Event Photos?:

If you are interested in having photos of your group professionally taken, contact Scott Thompson from Mikanakawa Lodge. Following our event, you can view and purchase these photos as well as others taken by other photographers throughout the week. A variety of formats from your standard 4X6 to Mouse Pads or even postage stamps are available on the following website:
